EXAMINER'S AMENDMENT

This Office Action is responsive to the applicant's amendment filed on September 30, 2005.

Claims 1-6 have been canceled. Claims 7-12 have added. Accordingly, claims 7-12 are pending in this application.

Applicant's cooperation in correcting the informalities in the drawing and specification are appreciated.

Allowable Subject Matter

Claims 7-12 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art fails to disclose or render obvious the claimed combination including: one of two ends of the rotary shaft being inserted through the first central through hole of each of the two end caps and two airtight rings, one of the two airtight rings being located in each circular dent between one of the two bearings and the bottom of the circular cavity of each of the two end caps, each of two airtight rings having a second central through hole, one of two ends of the rotary shaft being inserted through the first central through hole of each of the two end caps and second central through hole of each of the two airtight rings

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
